All,

Matt, I know you wanted this sooner rather than later...and I know I said I would get this to you last week.

Attached is the latest DRAFT I have for the General Jeff Bio for his work at Gladys Park. I was able to pull this together with the input of many, including RAP, and taking liberally from a transcript of General Jeff speaking at the LA Poverty Dept. (which is also attached, for reference, video is here: https://app.reduct.video/lapd/walk-the-talk/#/i/bda6d703-General_Jeff)

I have run this by his niece, Tanesha Johnson, who is managing his affairs/estate and she loves it so far but I will need to get her a final version before I hand off.

It's long because General Jeff did a LOT for Gladys Park, over many years, and also because I put a lot of love into this. I am totally open to re-formatting, help, edits by the way. I did the best I could in Word - but I know it can look better still.

Belinda - as you can see, I was able to get a bunch of facts together from Charles Porter, but there are still some outstanding YELLOW highlighted areas that need your assistance. Chris - if there is something you want to add to the redirected LAPD funding, please let me know.

As soon as I get that info from RAP & you Chris, should you want to add anything, look it over for grammar/spelling errors its complete on my end. I would like to discuss how this document can be used, and how it can be shared/printed even for our community.

Looking forward to hearing your feedback.

Sincerely,
Katherine
